

Forensic Services Seminar FDLE-Orlando

2019 Seminar Dates

February 12

June 11

or

October 15

9:00am to 5:00pm

Florida Department of
Law Enforcement

Orlando Regional
Operations Center

500 West Robinson St.
Orlando, FL 32801

Free to attend
Seats are limited

Parking available on the
seventh floor of the state
complex parking garage.

Parking passes will be
provided.

During this one-day seminar, attendees will explore the forensic services offered by the FDLE Crime Laboratory system. The seminar will provide participants with an understanding of the following sections:

Chemistry	Toxicology	Biology/DNA
Firearms	Latent Prints	Trace Analysis
Digital Evidence	Impression Evidence	
Questioned Documents		

This seminar is designed for law enforcement personnel who are responsible for investigations, crime scene response or evidence submission.

Topics that will be covered include:

- What services are available
- What services are not provided
- Case Acceptance Policies
- What evidence is not worked and why

A laboratory tour will be provided.
