Adrean King
Magan Clardy
Mark Judd
Gerilynn Barton
Vicki Schmechel
John Guzman
Nancy Thigpen
Krissie Padgett
Anne Antonello
Heather Bailey
Gregory Dixon
Beth Fleet
Hamilton Norton

The meeting was called to order at 1302 hrs.

Had a guest speaker Allen Miller from Forensics Source come and tell us about some of his company's products. He discussed firearm boxes with see thru panels so that you didn't have to open the box, rolls of brown paper that can be cut to the size needed and taped closed, and breathable evidence bags for once wet now dried items and plants so that mold does not happen. He demonstrated how to use the expandable plastic tubes. He talked about his tags, tapes and other bags and let us have a couple of free samples.

Old Business – nothing under old business

New Business & Discussions- We talked about the upcoming conference, when we can start signing up, the classes that are being offered (so far).

We talked about the new PEAFF website

We talked about the conference location change for 2020 thru 2022 and the fact that the time of the conference is being changed to May.

I made sure all had received the email about the opening for conference committee chairman and the new by-law committee being formed. I encouraged anyone interested to submit quickly.

I asked anyone if they knew of any speakers that might be interested in speaking at our conference and if they found someone to let me know quickly so that we would get in touch.

There being no further business to discuss, the meeting was adjourned at 1400hrs.

Afterwards we were treated to a demonstration of Green Cove Springs PD new drug incinerator and how it works and also a tour of their evidence room.

*** Next meeting will be after the May 18 board meeting, TBA at a later date with possible guest speaker Jim Pledger from Gunbusters.
